<u>What is E-verify??</u>

U.S. law requires companies to employ only individuals who may legally work in the United States – either U.S. citizens, or foreign citizens who have the necessary authorization. This diverse workforce contributes greatly to the vibrancy and strength of our economy, but that same strength also attracts unauthorized employment.

E-Verify is an Internet-based system that allows businesses to determine the eligibility of their employees to work in the United States.

The E-Verify Federal contractor rule requires certain Federal prime contractors to require their subcontractors to use E-Verify when:
> The prime contract includes the FAR E-Verify clause;
> The subcontract is for commercial or noncommercial services or construction;
> The subcontract has a value of more than $3,000; and
> The subcontract includes work performed in the United States.

Subcontractors who are suppliers are not subject to the E-Verify Federal contractor rule.

PRIME CONTRACTOR AND SUBCONTRACTOR OBLIGATIONS

The prime contractor should provide general oversight to subcontractors to ensure that they meet the E-Verify requirement. (*see Attachment I-General Conditions, Paragraph#36*) The prime contractor may be subject to fines and penalties if it knowingly continues to work with a subcontractor who is in violation of the E-Verify requirement.

HOW SUBCONTRACTORS PROVIDE PROOF OF ENROLLMENT IN E-VERIFY
As proof of enrollment, the subcontractor should provide the prime contractor a copy of its **Company Information** page in E-Verify, which can be printed directly from E-Verify. This page contains proof of your enrollment in E-Verify.

Please sign up on the E-verify site (www.dhs.gov/E-verify) and provide Glen/Mar Construction with the **Company Information** page within 5 business days of receiving this.
